To the Board of Directors of Kaya Limited

- 1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Kaya Limited (hereinafter referred to as "the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter ended 30 June 2023 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
- 2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities:

- 5. Attention is drawn to the fact that the figures for the three months ended 31 March 2023 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
- 6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 7. We draw attention to Note 4 to the consolidated financial results, which explains the management's assessment of going concern assumption. The Group has incurred losses during the current financial period and the prior years and has a negative working capital position as of 30 June 2023. Based on the financial support from the promoter group along with funds available with the Group as of 30 June 2023, the management believes that Group will be able to meet its obligations within the next 12 months as and when they fall due. Accordingly, the management has prepared the Statement on a going concern basis.

Accordingly, the financial statements of the

Notes to the Consolidated financial results:

- 1. This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.
- 2. The above results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 27 July 2023. These Consolidated results have been audited by the statutory auditors of the Company who have issued an unmodified review report. These financial results are available on the Company's website http://www.kaya.in.
- 3. The Group has single operating segment viz. "Skin Care and Hair Care Business" in terms of Ind AS 108 "Operating Segments".
- 4. The Group has evaluated the impact of existing and anticipated effects of various factors on its business operations and financial position on the basis of significant assumptions as per its review of current indicators of future economic conditions and taken necessary steps. Based on internal review, the Group would require funds for its operations and future development plans. The Group continues to enjoy financial support from the promoter group and has also received funding from them during the previous year. Based on its Annual Operating Plan which has been approved by the Board of Directors, the Group will be able to meet its funding requirements including the need to fund its overseas operations. As per the management, the Group has sufficient financing arrangements to fulfil its working capital requirements and necessary capital expenditure, in addition to the funds expected to be generated from the operating activities. The Group is closely monitoring the developments and based on the aforesaid assessment, Management believes that as per estimates made prudently, the Group will continue to operate as a going concern i.e., continue its operations and will be able to discharge its liabilities and realiste the carrying amount of its assets for the next twelve months. As the situation is continuously evolving, the eventual impact may be different from the estimates made as of the date of approval of these Results.
- 5. During the previous year, the Holding company has received an order from the Employees' Provident Fund Organisation Regional Office relating to earlier years towards additional liability in respect of various allowances to the employees not considered as part of wages. The Holding company is challenging the order and has filed Appeal u/s 7-l before the Hon CGIT and High court to set aside rejection order passed u/s 7B. Pending outcome of the proceedings, the Holding company on a conservative and best estimate basis, made provision of Rs 2,036.16 lakhs towards the said liability during the year ended 31 March 2023 and Rs 26.43 lakhs towards interest for the quarter ended 30 June 2023.
- 6. The losses of a step down subsidiary company of the Group have fully eroded its net worth. While the step down subsidiary company continues to take steps to revamp its business operations, the gestation period to achieve the desired level of turnaround is taking longer than previously envisaged. Considering the aforesaid, the Group has recognised an impairment of goodwill of Rs 3,275.46 lakhs during the year ended 31 March 2023.
- 7. The figures for the quarter ended 31 March 2023, are the balancing figures between audited figures in respect of the full financial year and the unaudited published year to date figures up to the third quarter of the respective financial year, which were subjected to review.
