

Kaya Revitalizes Your Essential Beauty Ritual with the Launch of Four Facials

Four unique treatments with skin-loving ingredients and techniques developed by dermatologists for every skin need

Mumbai, July 22nd, 2015: Kaya Skin Clinic brings to you a bouquet of solutions for common skin issues – dull, dry, tanned and pollution-damaged skin. The four new facials - Kaya Soothe and Balance Facial, Kaya Lighten and De-tan Facial, Kaya Hydrate and Restore Facial and Kaya De-pollute and Nourish Facial are designed as per your specific skin needs.

Designed by dermatologists and customized to suit different skin types, these facials imbibe the right steps and techniques to provide the experience of a perfect facial. Loaded with high efficacy ingredients and an experience of pure rejuvenation, these scientifically designed facials refresh your senses from deep within! Step into Kaya Skin Clinic and redefine your facial experience with us:

Kaya Soothe and Balance Facial – Undergo microdermabrasion combined with active marine elements in the Purifying Enforcement Serum that helps to exfoliate skin while providing essential nutrients. Additionally, the soothing grapefruit seed extracts based cream and tea tree oil mask act as a brilliant facial purifier and a remedy for mild skin irritations helping to revive and calm skin. This facial leaves your skin appearing purified, healthy-looking and radiating a healthy glow.

Best recommended for combination and irritated Skin

Kaya Lighten and De-tan Facial – Experience multi-stage superior exfoliation with microdermabrasion followed by the skin being treated off free radicals through a complete De-tan process. Aloe vera gel soothes the skin and restores the moisture followed by the application of the Vitamin-C enriched Antox Vit-C serum to reverse sun damage. The last step involves the application of Kaya Advanced Mask with active BioWhite to lighten the complexion of the skin. The facial leaves the skin glowing and free from effects of sun

Best recommended for tanned and sun-affected skin

Kaya Hydrate and Restore Facial – Undergo the unique hydra-exfoliation process that helps remove dull dry skin revealing a fresh and new layer. The moisturizing effect of Hydra Nourishing Massage Cream combined with the instant smoothing effect of the enzymatic wax that gently glides across the skin, helping in regeneration of cells and boosting skin's vitality while moisturizing it. The Vitamin-C rich Antox Vit-C serum and ultra-fresh rehydrating mask are then applied to the skin. This facial intensely moisturizes even the most dehydrated skin, leaving it moist, supple and glowing.

Best recommended for dry and dull skin

Kaya De-pollute and Nourish Facial – Experience hydra-exfoliation that treats the skin off free radicals through a complete re-mineralization process. The skin is soothed with therestoring properties of aloe vera gel followed by treating the skin with Vitamin-C enriched Antox Vit-C serum. Finally a facial mask is applied containing the nourishment densemiracle fruit, Acerola – with high-anti-oxidant and spirulina content which makes it fortified with in Vit-C, A, B1, B2 and B3. The skin is left feeling re-energized and glowing with an even tone.

Best Recommended for Pollution-Affected Skin
