

Get Summer Ready with Kaya's New Sunscreen

May 29th, 2017: Kaya, India's most trusted skin and hair care specialist has a new addition to their wide spectrum of solutions – the all new Ultra Light Aquagel Sunscreen with SPF 25. Formulated and researched by dermatologists, Kaya's latest sunscreen is crafted using a combination of potent natural actives, anti-oxidants, and vitamins to protect you against the harmful rays of the sun, and environmental damage this summer.

for 50 ML.

Dr. Sangeeta Velaskar, Vice President and Head, Medical Services and R&D, Kaya Limited, said, "Apart from protecting your skin from the sun, one also needs to keep a check on the effects of environmental damage. With our latest sunscreen, we aim to tackle both these concerns with just one simple solution. Summer also happens to be a tough time for people with acne-prone and oily skin. Keeping this in mind the sunscreen has been crafted to ensure that the pores continue to breathe easily and gives the skin a matte finish ensuring a flawless finish."

Kaya Ultra Light Aquagel Sunscreen with SPF 25: A broad spectrum sunscreen specially designed for oily/ acne prone skin to provide superior sun protection against harmful UVA and UVB rays. It doesn't clog pores, thereby reducing the possibility of breakouts. This gel-based, fragrance free formula gives you a cooling sensation with a weightless, matte finish.
