

Get Flawless Skin with Kaya's New Complexion Perfector Cream

Enriched with Niacinamide and Imperita Cylindrica, Kaya CC Cream also offers advanced multi-benefit skincare

As women, we want to constantly look and feel our best, but hectic schedules leave us with very little time for elaborate make up and skin care routines. To help address every woman's need for perfect looking skin while providing advanced multi-benefit skincare, Kaya introduces – Kaya Complexion Perfector Cream.

Kaya's Complexion Perfector Cream is a one-step solution to give your skin instant coverage and even skin tone with a perfect make-up finish. Kaya's CC cream is specially formulated after careful research and development by dermatologists to suit all skin types and give you all in one skin benefits. The CC cream instantly blurs imperfections, reduces fine lines and gives your skin a smooth finish. It contains Imperita Cylindrica which provides moisturization and hydration for your skin to give it a natural looking instant glow. Containing SPF 25, the CC cream ensures sun protection from both UVA and UVB rays. To provide long term skin benefits it contains Niacinamide – a potent whitening active makes skin tone lighter and even toned with regular use.

The Kaya CC Cream comes in an easy-to-carry tube so you can take it with you wherever you go to give you perfect skin in an instant. It is your perfect make-up companion and is fit for any occasion is sure to make its way as your hand-bag essential.
