Kaya's **Permanent Laser Hair Reduction** service helps you get rid of unwanted hair. This **US FDA approved ND YAG laser technology**, has been certified to be highly safe for Indian skin. Absorbed by the dark colour (melanin) of the hair, the laser beam safely targets the hair follicles without causing any harm to the surrounding skin. This in turn reduces your hair from the roots and prevents further growth.

**More than 100,000 women** at Kaya have said NO to waxing, enjoying the freedom of hair-free and satin-smooth skin with Kaya's Permanent Hair Reduction! It's your turn now!

Visit your nearest Kaya Skin Clinic today and get ready to revisit the meaning of freedom!
