Loaded with high efficacy and an experience of pure rejuvenation, you don't want to miss out on these scientifically advanced facials which refresh from your senses from deep within! Step into Kaya Skin Clinic and redefine your facial experience with us:

Derma-Regen 4 layer Therapy - Experience layer upon layer of pure, fresh European seaweed to rejuvenate, tone and help firm the skin. This efficacious yet pampering experience is administered across 4 steps that aim to deep-moisturize, relax and hydrate the skin leaving the skin extraordinarily refreshed. It is highly recommended facial for to-be brides and helps restore the radiant glow to your face which you so dearly covet.

Intense White Dry Scrub - Undo years of damage of intense sun exposure to reveal brighter facial skin. This facial works from within to reduce tanning and pigmentation marks with a peeling cream that exfoliates the skin with its dry chafing action. This is followed by using a highly potent skin brightening cream & Vitamin C brightening peel-off mask that gives the skin an even tone that makes you marvel at its suppleness.

Antox-UltraSheen Therapy - Experience multi-stage exfoliation and thermal therapy in the form of a heating mask through a variety of massage creams, serums and complexion masks replete with Vitamin C. This facial therapy addresses skin impurities from within with its unique 'Refresh-Renew-Reduce' regime.

Pure Pore Clear Skin - Rid your skin of the grime accumulated during all that time spent outdoors with this treatment that cleanses your skin deep from the root. It also has a soothing and healing effect on lesions, leaving the skin with renewed freshness and glow. It treats oily and acne-prone skin with effective skincare process that target the stubborn bacteria that reside deep in skin pores. Consequently, skin is purified of toxins as it is conditioned to feel calm and soothing from within.

****Cosmopolitan U.K. called the Repechage 4 Layer Facial "The best facial of the century". It is now offered at Kaya Skin Clinic as the Derma Regen 4 Layer Therapy.***
